Dear Door Systems, Inc

In 2005 your company supplied and installed two pairs of 9ft tall integrated doors manufactured by Total Door. The applications were for the locker room entrance and the gymnasium entrance to our Cox Pavilion auditorium here in Las Vegas. I am happy to say that four years later the Total Doors are still going strong after all the high traffic and heavy abuse from the college athletes that use these doors on a daily basis. I am very happy with the doors since they have been maintenance and worry free. Using Total Door is a great long term value for any building owner.

I want to thank you and your company for providing us with such a reliable door system.

Sincerely,

Michael Strebel
